\* NETHOLD Pro is powered by Cloudflare Pro (~£16/mo infrastructure cost per domain, included in the monthly service fee).

\* Domain registration and renewal costs are billed separately at Cloudflare Registrar cost price (no markup). Standard .co.uk and .com domains are typically £8–12/yr. Premium or specialist TLDs (e.g. .ai, .io) will be quoted at actual Registrar cost prior to registration.

## One-Off Setup Fees

A setup fee applies at onboarding to cover initial configuration, DNS migration, and security hardening. This is a one-time charge per domain.

Service	Applies To	Fee
Account onboarding & domain transfer	All tiers	<b>£25</b>

Subdomain management (up to 5)	NETHOLD Pro	<b>£5/mo</b>
Annual security audit & written report	NETHOLD Pro	<b>£75 per audit</b>

## Terms & Notes

All prices are quoted exclusive of VAT. VAT will be applied at the prevailing UK rate where applicable.

Services are subject to a 12-month minimum term from the date of onboarding. Following the initial term, contracts renew on a rolling monthly basis. Cancellation after the minimum term requires 30 days written notice.

Domain registration and annual renewal costs are billed separately at Cloudflare Registrar cost price with no markup. The monthly subscription fee covers service delivery only. Premium or specialist TLDs will be quoted at actual cost prior to registration.

WAF configuration (NETHOLD Pro) is managed on a best-efforts basis. NETHOLD LIMITED does not guarantee a specific block rate or warrant against all attack vectors.

This pricing schedule supersedes all previous schedules and is subject to revision with 30 days notice to existing clients.
